"I define success as living my true purpose and having a positive impact on the lives of people by uplifting them and inspiring them to think and act in ways that they may not have considered before.". One of the great models in life, the late Coach John Wooden, defined success as follows: " Success is peace of mind, which is a direct result of self-satisfaction in knowing you made the effort to do your best to become the best that you are capable of becoming." Success is an attitude. Success requires maximum effort.. Success definition, the favorable or prosperous termination of attempts or endeavors; the accomplishment of one's goals. See more.. There are so many definitions of success out there, and it's all-too-easy to take on someone else's definition. That's why it's crucial for us to each define it for Webster's dictionary has three definitions: The fact of getting or achieving wealth respect or fame. The correct or desired result of an attempt. Someone or something that is successful: a person or thing that succeeds.. According to Merriam-Webster's definition of "success," anyone who's rich, respected, or famous is successful. Some people will read that and enthusiastically I believe success is defined by who you are and the person you aspire to be. Success is measured differently for each person. What may be a What is success? Is there a universal definition? Learn the fundamental principles of success and how to discover what your definition of ...
